

**NEWSLETTER OF OMSK STATE PEDAGOGICAL UNIVERSITY.  
HUMANITARIAN RESEARCH  
2016 № 2 (11)**

**ABSTRACT AND KEY WORDS**

**PHILOSOPHY**

**M.R. Arpentieva**

**IDEOLOGICAL PROBLEMS OF EDUCATION AND SOCIAL DIFFERENTIATION**

The article discusses the problems of the relationship between education and social differentiation. Special attention is paid to the problem of mass education, and simulation of education: transforming learning and upbringing into the simulacrum and leveling the importance of education.

**Keywords:** education, cultural transmission, social collapse, simulacrum, meritocracy, bureaucracy, social stratification.

**A.S. Bugaitsova**

**A SELF-SUFFICIENT PERSON IN EXISTENTIAL PHILOSOPHY**

The article dwells upon the problem of understanding the self-sufficiency phenomenon of a person in the context of existential philosophy. The new definition – Homo sibusufficiens – for the man, whose individual psychological particularities determined the pivotal attributive characteristics of a person in various works of philosophers-existentialists, is presented. The special attention is paid to the author's presentation of the level structure of self-sufficiency which is underlined in the numerous works of the representatives of existential philosophy and psychology.

**Keywords:** self-sufficiency, structure of self-sufficiency, existence, experience of self-sufficiency, self-transcendence.

**E.S. Valevich, M.D. Reilyanu**

**THE METAPHYSICS OF GENDER IN RUSSIAN AND WESTERN PHILOSOPHY OF THE 19TH AND EARLY 20TH CENTURIES**

The article is devoted to the analysis of the two fundamentally different concepts of the metaphysics of gender, the relationship of male and female in Western (A. Schopenhauer, F. Nietzsche) and Russian (F. M. Dostoevsky, Vl. Solovyov, V. V. Rozanov, N. A. Berdyaev) philosophy of the 19th – beginning of the 20th centuries. The role of love and marriage in human life is determined. In Western philosophy, there is a tendency of exaltation of masculinity through opposition and denigration of women (the concepts of “neglect of the sex”). Whereas, Russian religious thought asserts the necessity of a harmonious combination of these two principles for the holistic development of personality.

**Keywords:** marriage, gender, friendship, sex, love, male, female, family.

**G.V. Gornova**

**HARMONY BETWEEN THE CITY AND THE MAN: CATEGORICAL IMPERATIVE OF URBAN DEVELOPMENT**

The article considers harmony between the city and the man, city identity and human scale of the city in the context of Protagoras and Kant's anthropological views. It is noted that imperativeness of the thesis about the person as a measure of all things is presented in harmony between the city and the man.

**Keywords:** city, man, measure, categorical imperative, harmony.

**A.A. Kovalevsky**

**OBJECTIFICATION OF HUMAN NEGATIVE EXPERIENCES IN THE URBAN SPACE**

The urban space is filled with experiences of its citizens and significant part of them is negative experiences: fear, hatred, loneliness, etc. They are objectified in spiritual and material forms of the city.

**Keywords:** city, negativity, experiences, death, danger.

**L.V. Korchevina, M.P. Shubina**

**COMMUNICATION IN EVERYDAY LIFE-WORLD**

The article analyzes the role of communication in everyday life-world. The author concludes that communication is the mode of existence of everyday life.

**Keywords:** typing, stereotyping, interculturality, generalized code, everyday life-world.

**N.G. Krasnoyarova, M.A. Yunosheva**

**PHILOSOPHY OF CINEMA: FORMATION OF THE PERSPECTIVE**

The article discusses the possibility of understanding cinema as an art form through philosophical reflection, defines the possible form of the philosophy of cinema and its substantial and methodological borders, and considers the possibilities of cinema as a specific way of thinking by means of the special type of visual images and possibilities of philosophy in the form of cinema.

**Keywords:** philosophy, thinking, art, cinema, philosophy of art, philosophy of cinema.

**L.K. Nefyodova**

**CHILD ARCHETYPE AS AN ONTOLOGICAL PROTOTYPE AND ENERGETIC-SEMANTIC FORM OF CONSTRUCTION OF UNDERSTANDING CHILDHOOD IN THE ART OF WORDS**

On the basis of the concept of C. G. Jung and A.F. Losev, the phenomenology of the Child archetype is considered. The specificity of the essential characteristics of the Child archetype, such as abandonment, irresistibility, hermaphroditism, unity of the initial and final, which determine the existential function of the future, is conceptualized.

**Keywords:** child, being, archetype, energetic-semantic form, image, abandonment, irresistibility, art.

**E.A. Popov**

**THE ROLE OF PHILOSOPHY IN THE DESTRUCTION OF MYTHS OF THE FUTURE**

The article focuses on the potential of the philosophical science in the destruction of myths of the future. Such myths arise with every new step of the development of societies. It is proposed to consider the myths of the future as socio-cultural phenomena that do not clarify the future of social change and also significantly impede the perception of the future. These myths are not built on the basis of the researched patterns and trends in the development of societies at different times and do not serve for connection of times and generations, but exist as phenomena that distort social reality. The emphasis is on the advantages of philosophy over other sciences in the destruction of myths of the future. It is noted that the methodological resources of philosophy allows us to carry out such destruction more effectively. As a result of this process, the reality of the future is presented as a response to these trends of social development which begin in the past and present.

**Keywords:** future, myths of the future, destruction of myths, the role of philosophy, social myths, expectations, understanding of myths.

**LINGUISTICS**

**A.T. Bolatbaeva**

**POLYLINGUAL INTERCULTURAL BUSINESS COMMUNICATION**

The article discusses the questions of intercultural communication in modern society, relationship between polylingualism and intercultural communication, intercultural and business communications; defines the factors creating special difficulties for polylingual students.

**Keywords:** intercultural communication, polylingualism, business communication, modern education.

**R.P. Dronseika**

THE LINGUISTIC PERSONALITY OF SERGEY YESENIN THROUGH THE PRISM OF CONCEPTUAL SPACE OF THE RUSSIAN VILLAGE

The article is devoted to the research on conceptual and linguistic elements of the image of the Russian village from the perspective of reflection of the author's picture of the world in them. The article analyzes the poet's linguistic means allowing us to characterize the individual and author's picture of the world of S. Yesenin. The subject of research is the specific features of formation of conceptual and linguistic space of the Russian village in aspect of refraction of the writer's identity in it.

**Keywords:** sphere of concepts, individual and author's picture of the world, lyrics of S. Yesenin, linguistic personality, concept "village".

**E.A. Lapteva**

THE IMAGE OF THE ANIMAL IN MEDICAL TERMS IN THE LATIN, RUSSIAN, ENGLISH AND GERMAN LANGUAGES

The article reveals Latin terms in the field of medicine consisting of the terminological element, connected with the properties or functions of an animal. The analyzed Latin vocabulary is determined in accordance with the vocabulary in Russian, English and German. There are five subject groups based on the functioning of lexical units in these three languages. Examples used in this article prove the idea of metaphorical transfer of animal features to a human being both in clinical aspects and anatomical peculiarities. The findings of the investigation demonstrate that all Latin terms have equivalents in Russian including phraseological units. Also, a great amount of these Latin terms is observed in German.

**Keywords:** Latin term, terminological element, metaphorical transfer, animal, lexical unit, phraseological unit.

**Yu.A. Melnik**

SOCIOLINGUISTIC PROJECTS "THE WORD OF THE YEAR" – 2015: SPECIFICITIES AND VERSIONS

The article is devoted to the analysis of sociolinguistic projects of 2015, such as "The Word of the Year", "Press Word of the Year", "Dictionary of Changes", "Dictionary of the Year", etc. These projects are valuable from the linguistic point of view. The research of the "keywords of the current moment" got into the analyzed ratings, allows us to understand the obvious and hidden social changes through the language.

**Keywords:** word of the year, political discourse, keyword.

**L.B. Nikitina**

WHAT IS LANGUAGE FOR YOU? (Conversation without cause)

This article contains a description of OGPU philology students survey about the role of language and speech culture in human life. Survey results are compared with the results of similar studies previously conducted at the philological faculty of Omsu n.a. F.M. Dostoevskiy. Presented observations and conclusions will help teachers of Russian language and speech culture in their work and will be of interest to anyone who seeks to improve their language.

**Keywords:** language, speech, speech culture, good speech qualities.

**T.P. Shalatskaya**

ONOMASTIC PALETTE IN V. BELOV'S NOVEL "EVERYTHING IS AHEAD"

The social images and scenes of cultural life of the Moscow intelligentsia of the second half of the twentieth century were depicted realistically in V. Belov's novel "Everything Is Ahead". The controversial critical appraisal of this work by the author's contemporaries has been discussed. The main literary and linguistic aspects of the study of the text of V. Belov's work have been enumerated. The author identifies categories of onim units from the lexical array of the novel, describes the most productive models, groups them and analyzes their functions.

**Keywords:** author, onyms, anthroponyms, ethnonyms, toponyms, hydronyms, biblionyms, theonyms, zoonyms, geortonym.

**A.A. Shestova**

THE LEXICAL ASPECT OF THE ANNOTATIONS OF SOCIAL NETWORKS IN ENGLISH AND RUSSIAN

The article is devoted to the analysis of the lexical aspect of the annotations of social networks in English and Russian. In this respect the lexemes, reflecting the attitude to this phenomenon, are found in the English and Russian annotations of social networks. In spite of the fact, that social networks are treated positively both in English and Russian, in some cases the lexemes, reflecting restricted access, show the negative attitude. In the English and Russian annotations of social networks the lexemes, reflecting economics, prevail: the commercial approach to creativity is expressed in the Russian language. In English the lexemes, reflecting the virtual world, prevail.

**Keywords:** lexical aspect, social network, economics, creativity, emotions, virtual world.

**LITERATURE. LITERATURE STUDIES. FOLKLORE**

**I.V. Berdnikova, E.V. Sitnikova**

THE TRANSFORMATION OF A HERO-NARRATOR'S INNER SPEECH (As Exemplified in "The Mansion», A Novel by W. Faulkner)

The present article deals with the implementation of the stream-of-consciousness technique as one of the major methods of creating a hero-narrator's speech portrait in "The Mansion", a novel by W. Faulkner.

**Keywords:** interior monologue, stream of consciousness, experienced speech, narrator, relator, W. Faulkner, Mink Snopes.

**E.V. Kozlovskaya**

FORMATION OF THE MYTHOLOGICAL PICTURE OF THE WORLD IN DIALECTS OF THE IBERIAN PENINSULA

The article is devoted to peculiarities of formation of the mythological picture of the world in Spanish linguoculture. The author examines the reflection of the mythological picture of the world in culture and worldview of people from the Iberian Peninsula by analyzing the concrete legends representing perception of the surrounding world by different peoples of Spain.

**Keywords:** mythological picture of the world, symbolism, the highest mythology, the lowest mythology.

**E.S. Melnikov**

THE MISUNDERSTOOD DOSTOEVSKY: SUBJECTIVITY IN THE WORKS OF THE GREAT WRITER

The article analyzes the traditional approach of Fyodor Dostoyevsky to the characters development through a description of their subjective thinking. This creative method more than once caused surprise and incomprehension among critics, who often saw subjective views of the characters as the views of the author himself. The article provides the most illustrative cases that

show the reaction of Russian critics on artistic method of Dostoevsky. Dostoevsky's reaction to the accusations of critics can be judged by his entries in "The Writer's Diary» and the personal correspondence.

**Keywords:** Dostoevsky, psychologism, criticism, style, history, subjectivity, artistic concept, creative method.

## HISTORY

### A. Gul

#### HISTORIOGRAPHY OF FORMATION OF UNIVERSITY EDUCATION IN TURKEY: PROBLEMS AND PROSPECTS

The article deals with the history of transformations of higher education system in Turkey from the beginning of creation of the first higher education institution up to the end of the 20th century. The historical and pedagogical research devoted to the formation of university education in Turkey has been analyzed; the level of knowledge of the problem, mechanisms and approaches to understanding the essence of university education problems in the mentioned period have been examined. The tasks of the researchers who worked on the reformation of the higher education system in Turkey have been also considered.
